

## **Patient Portal Frequently Asked Questions**

Effective September 2, 2024 we will be utilizing DENmaar as our new Electronic Health Record system and claims and payment processor.

Please submit questions regarding your use of and access to the DENmaar client portal to [denmaar@auxiliumpsychology.com](mailto:denmaar@auxiliumpsychology.com)

We ask for your patience to allow time for this information to be updated. Due to the unique nature of certain questions, a more personal and individualized response may be required. Therefore, we will not be addressing all questions in the public forum.

*More information to come*
